

Art Made with Circles

- Grades 1-12

Below, you will find some examples of art based on circles created by famous artists.

Supplies: Paper, colored pencils, crayons, or markers.

After you have checked out these artworks, try to create your own art based on the shapes...circles!

You can trace a bowl, plate, cup, or just free hand round shapes to make your art. Don't be afraid to make it colorful!

Iris, Tulips Jonquils and Crocuses by Alma Thomas

ABORIGINAL ART

Bush Tomato Dreaming by Selma Napanangka Tasman

Squares with Concentric Circles by Wassily Kandinsky

Pop Art by Maureen Frank

Here's my example of hand drawn circles, notice they are not perfectly round.
