

BU- BA- BUNNY – Grades 1-4

Supplies: Black, Pink and Blue Pencils or Markers, any other colors you want and White Paper.

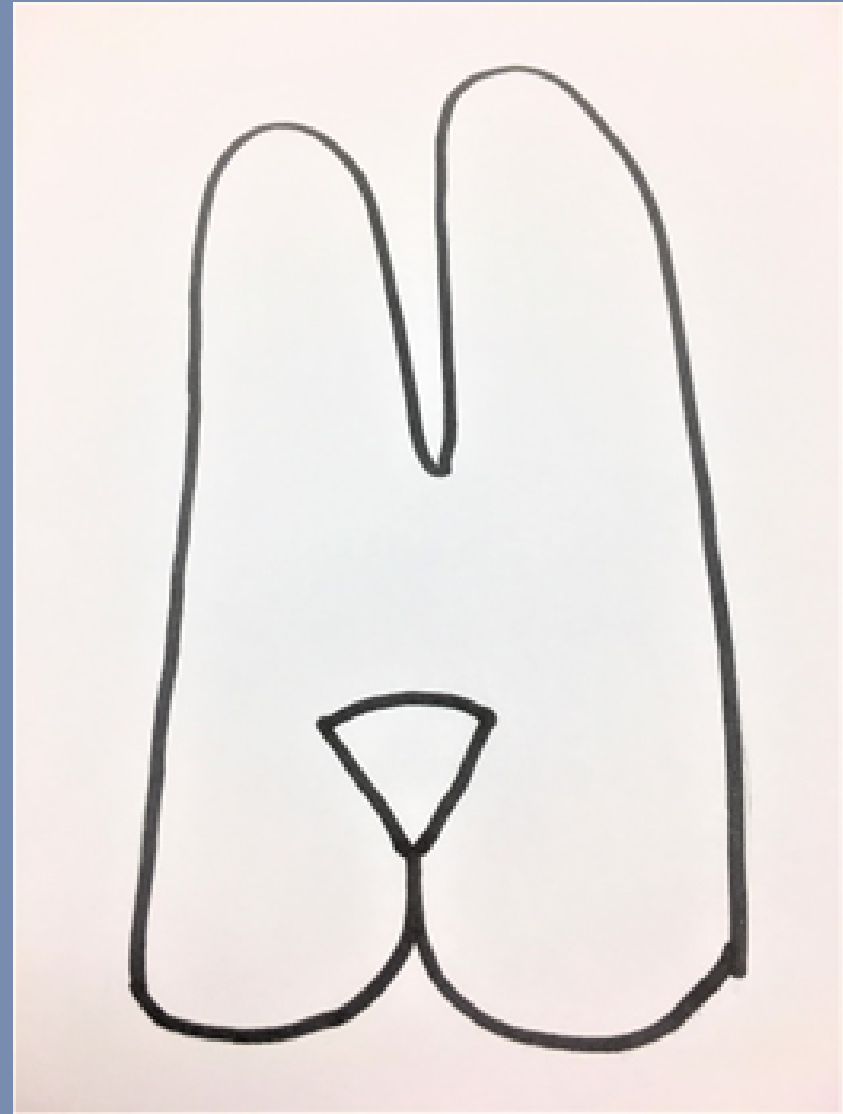

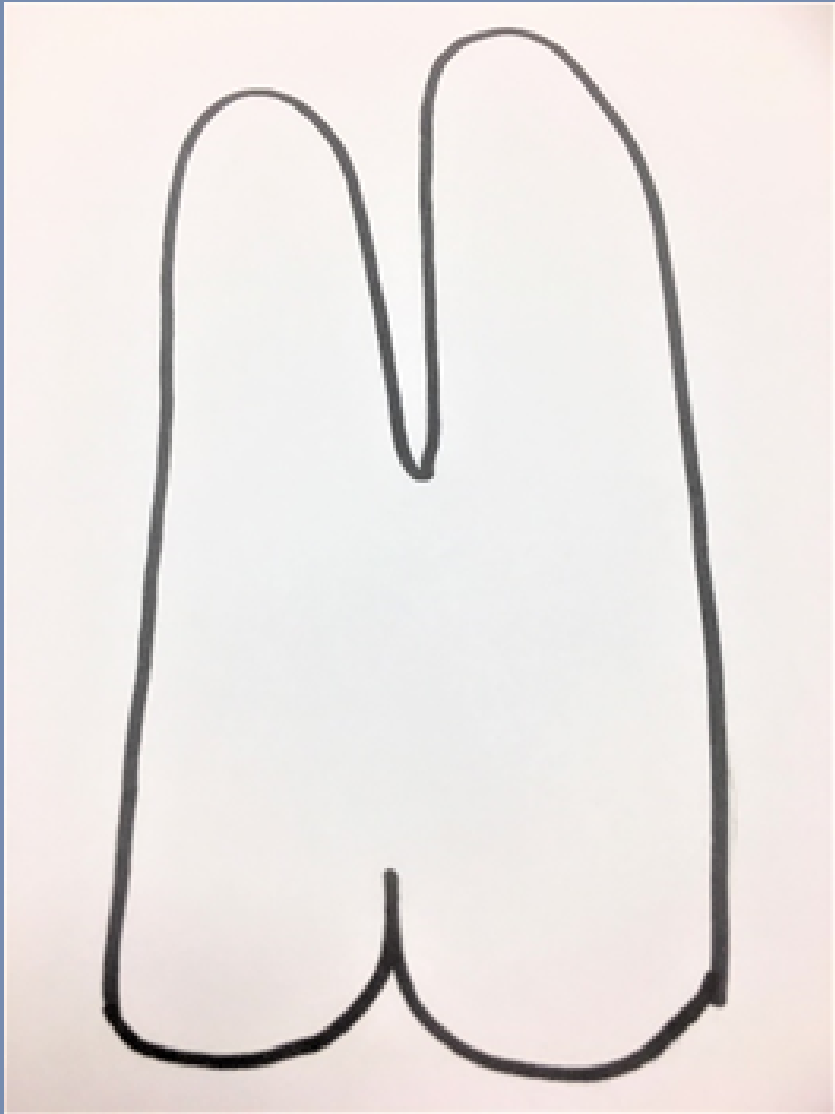

Let's Draw a BU-BA-BUNNY

1 - Make your hand into this shape and trace around your fingers but NOT your Thumb. I traced with pencil and then again with black marker.

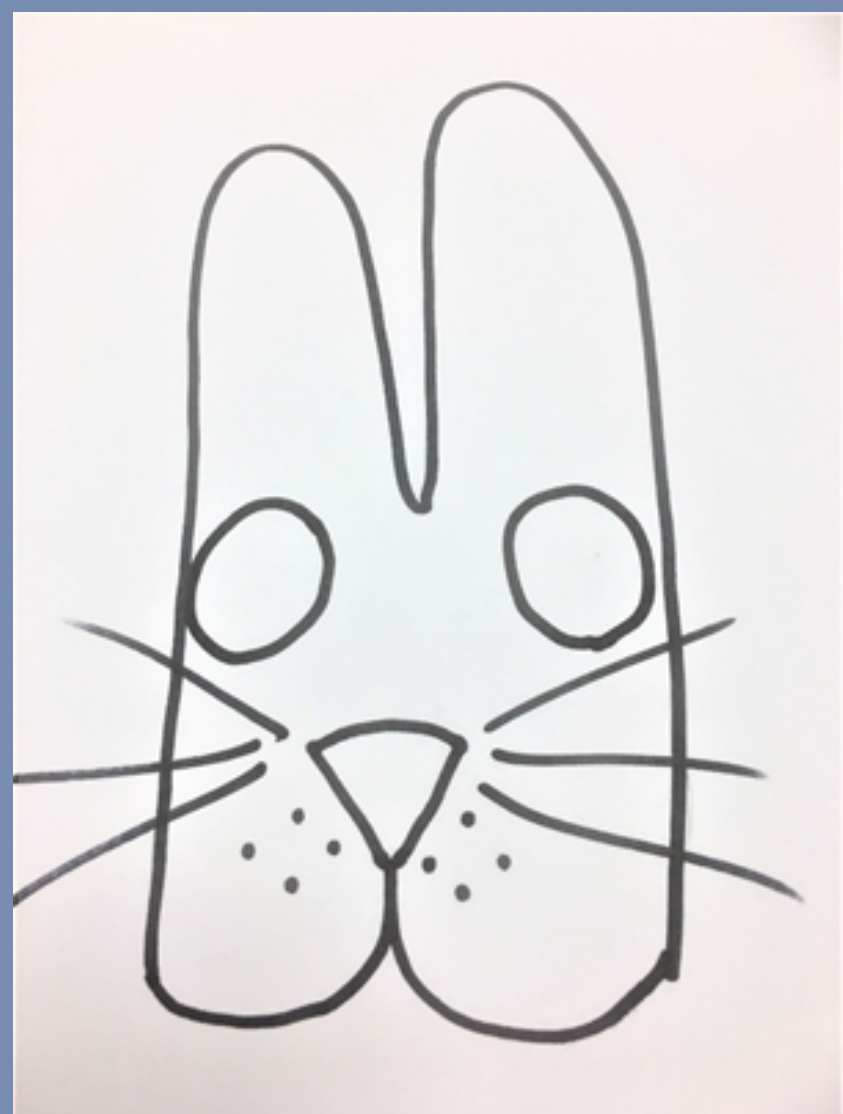

2 - Add a shape like a sideways 3 to the bottom for the cheeks.

3 - Add a piece of pie shaped nose in the middle.

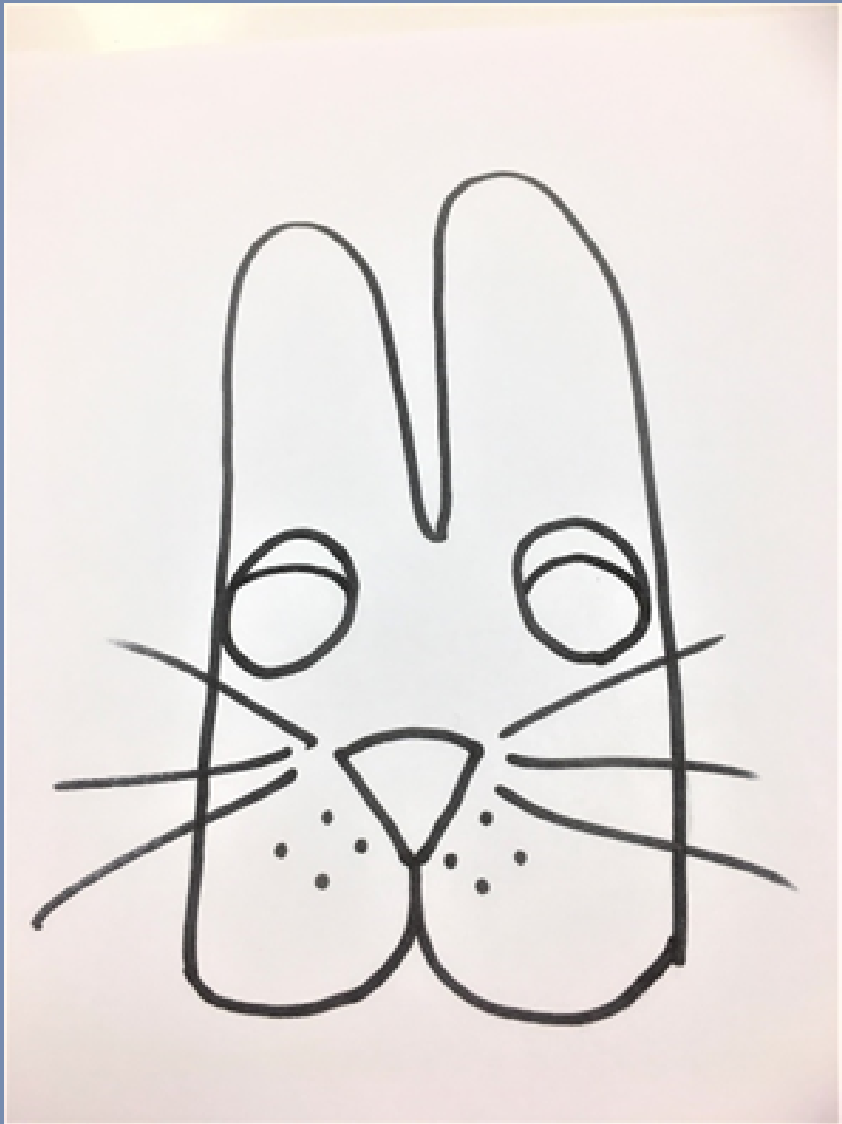

4 - Add 3 whiskers on each side of the nose and some dots on the cheeks.

5 - Then make 2 circles for the eyes just under the ears.

6 - Now you can add a curve for the top of the Iris in the eye. The Iris is the colored part of the eye

7 - Add a small circle in the middle of the eye for the Pupil. The pupil is the center part of the eye.

8 - Now create the shape of the ear openings above the eyes.

9 - Add the sideways C shape for the mouth or tongue.

10 - Last of All Color your Bunny!! I left mine white but you can artists can make their animals any colors they want.
