

Exploring the Elements of Dance Series

BODY - Shape Pictures - Part 3 – Grades 6-12

Needed Material: shape flash cards

Instructions: The teacher will hold up two shape pictures. The students are going to copy one shape with their body, then move into the next shape and then move back to the first shape. Once done with those card, share another set.

Try very simple geometric shape pictures or more interesting designs created by the students or sophisticated art works by popular artists.
