

Draw a Bunny - Grades 9-12

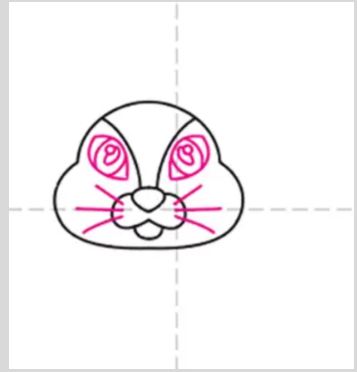

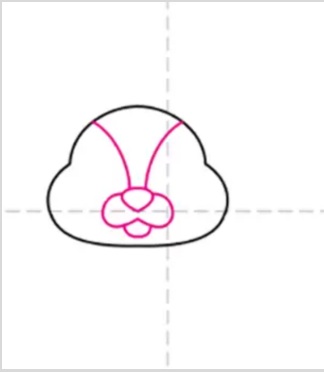

This drawing teaches students how to draw a Bunny using curved lines. Drawing vertical and horizontal guidelines will make this drawing a lot easier.

Materials: Markers, Paper, Pencils, Crayons, Watercolor, Pastels

Step 1: Start with the bunny head shape.

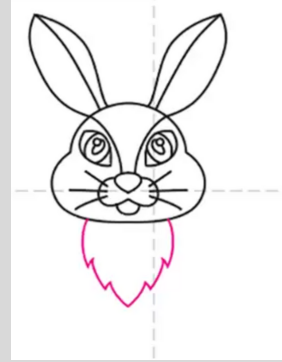

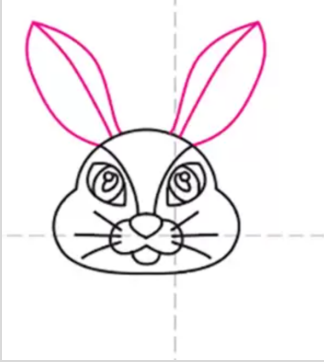

Step 2: Add the mouth and nose lines. **Step 3: Draw two large eyes and whiskers.**

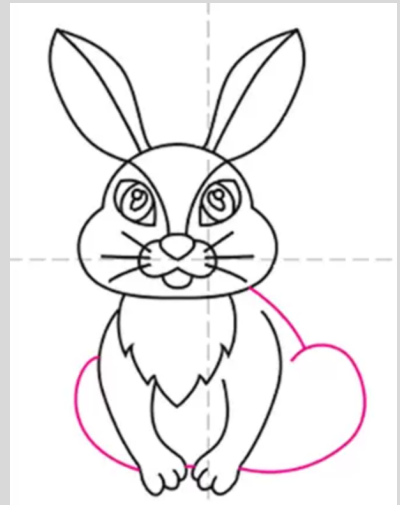

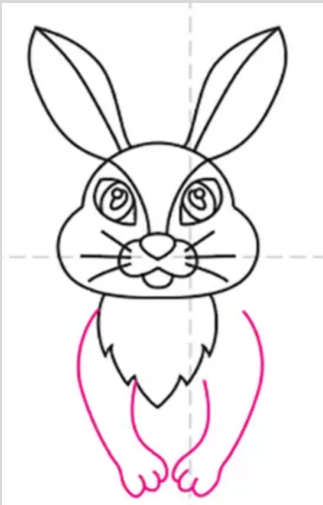

Step 4: Add the symmetrical ears.

Step 5: Draw the fur on the chest.

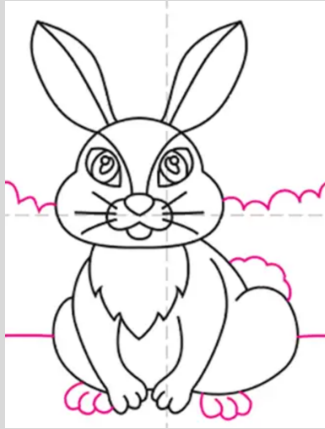

Step 6: Add the arms underneath.

Step 7: Finish the back body legs.

Step 8: Draw the toes, tail and landscape.

Step 9: Trace with marker and color.
