

COMPTON ASSI ON

Birthday Gift

Actor can either accept a box (mimed) from another actor, or the teacher/mentor, or the actor can “pick a present” from a mimed table. If the actor chooses a gift from the ‘table’ the actor can define the size and weight of the gift.

The actor mimes opening the box, or gift bag (with tissue paper). Once the actor has finished the unwrapping, they mime what the gift is.

Is it a teddy bear, a bowling ball, a shirt, a chocolate chip muffin. The actor decides!
