

HOW TO DRAW A DRUM - GRADES 7-12

This is moderately difficult. Students will create a drawing of a drum.

WHAT YOU NEED:

Pencils

Paper

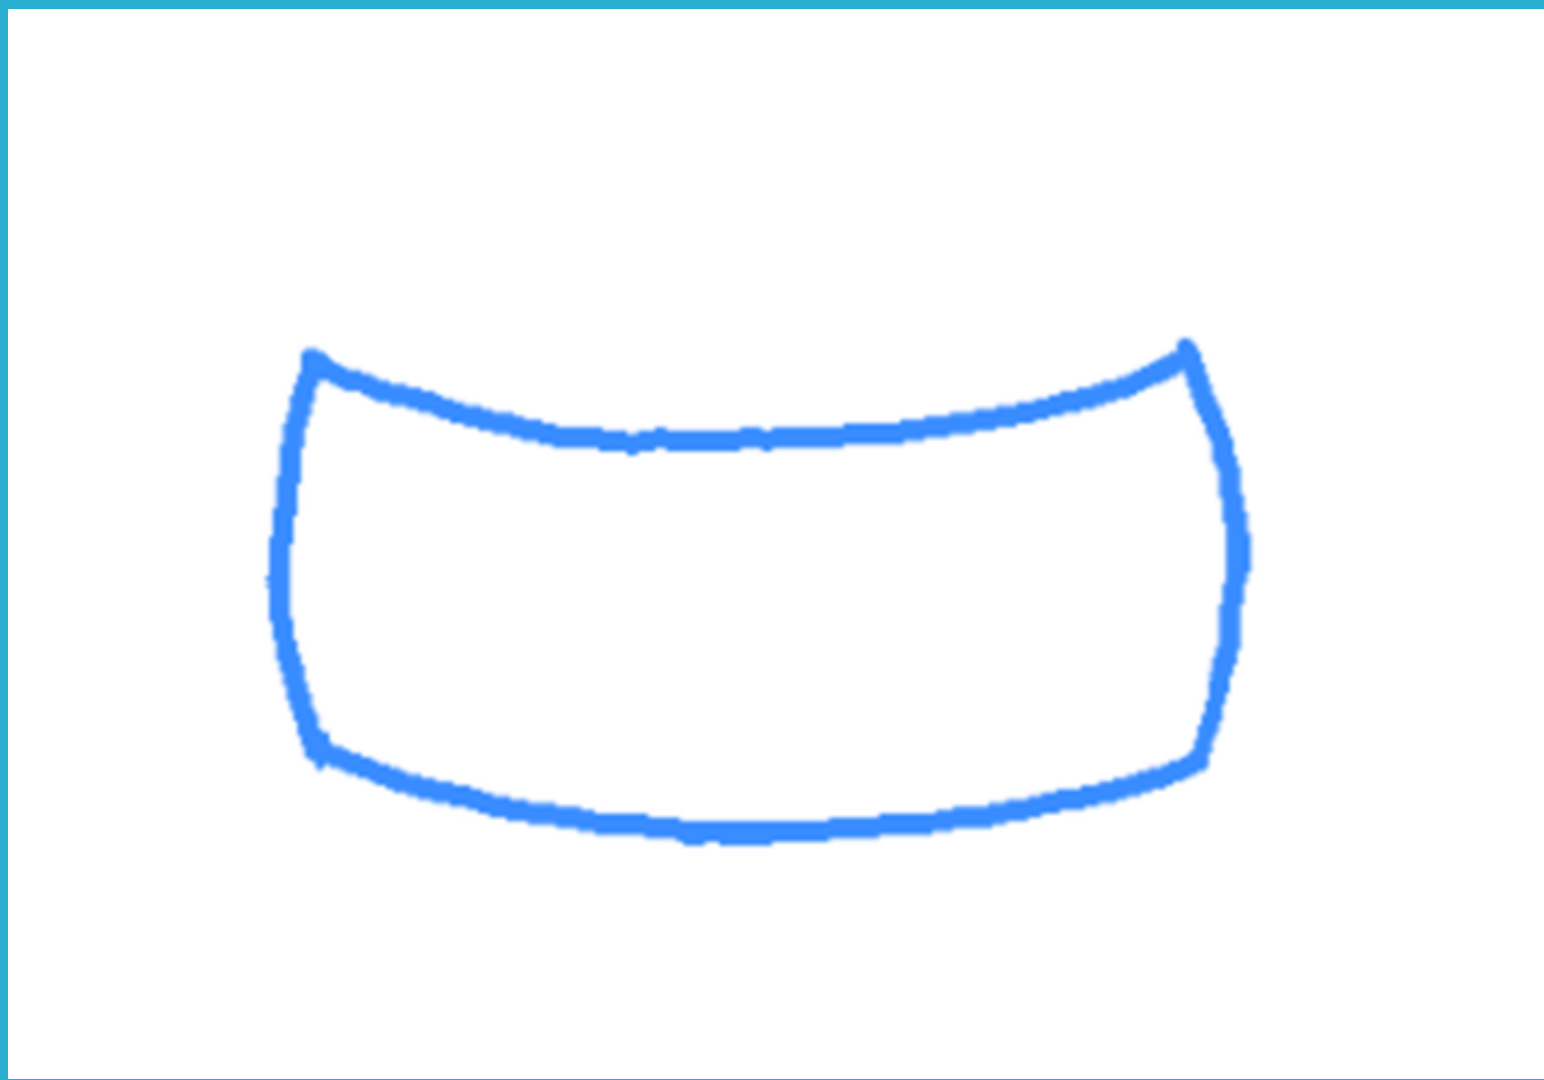

Color pencils or crayons or pastels or markers or watercolor or acrylic paint

Teacher Asks:

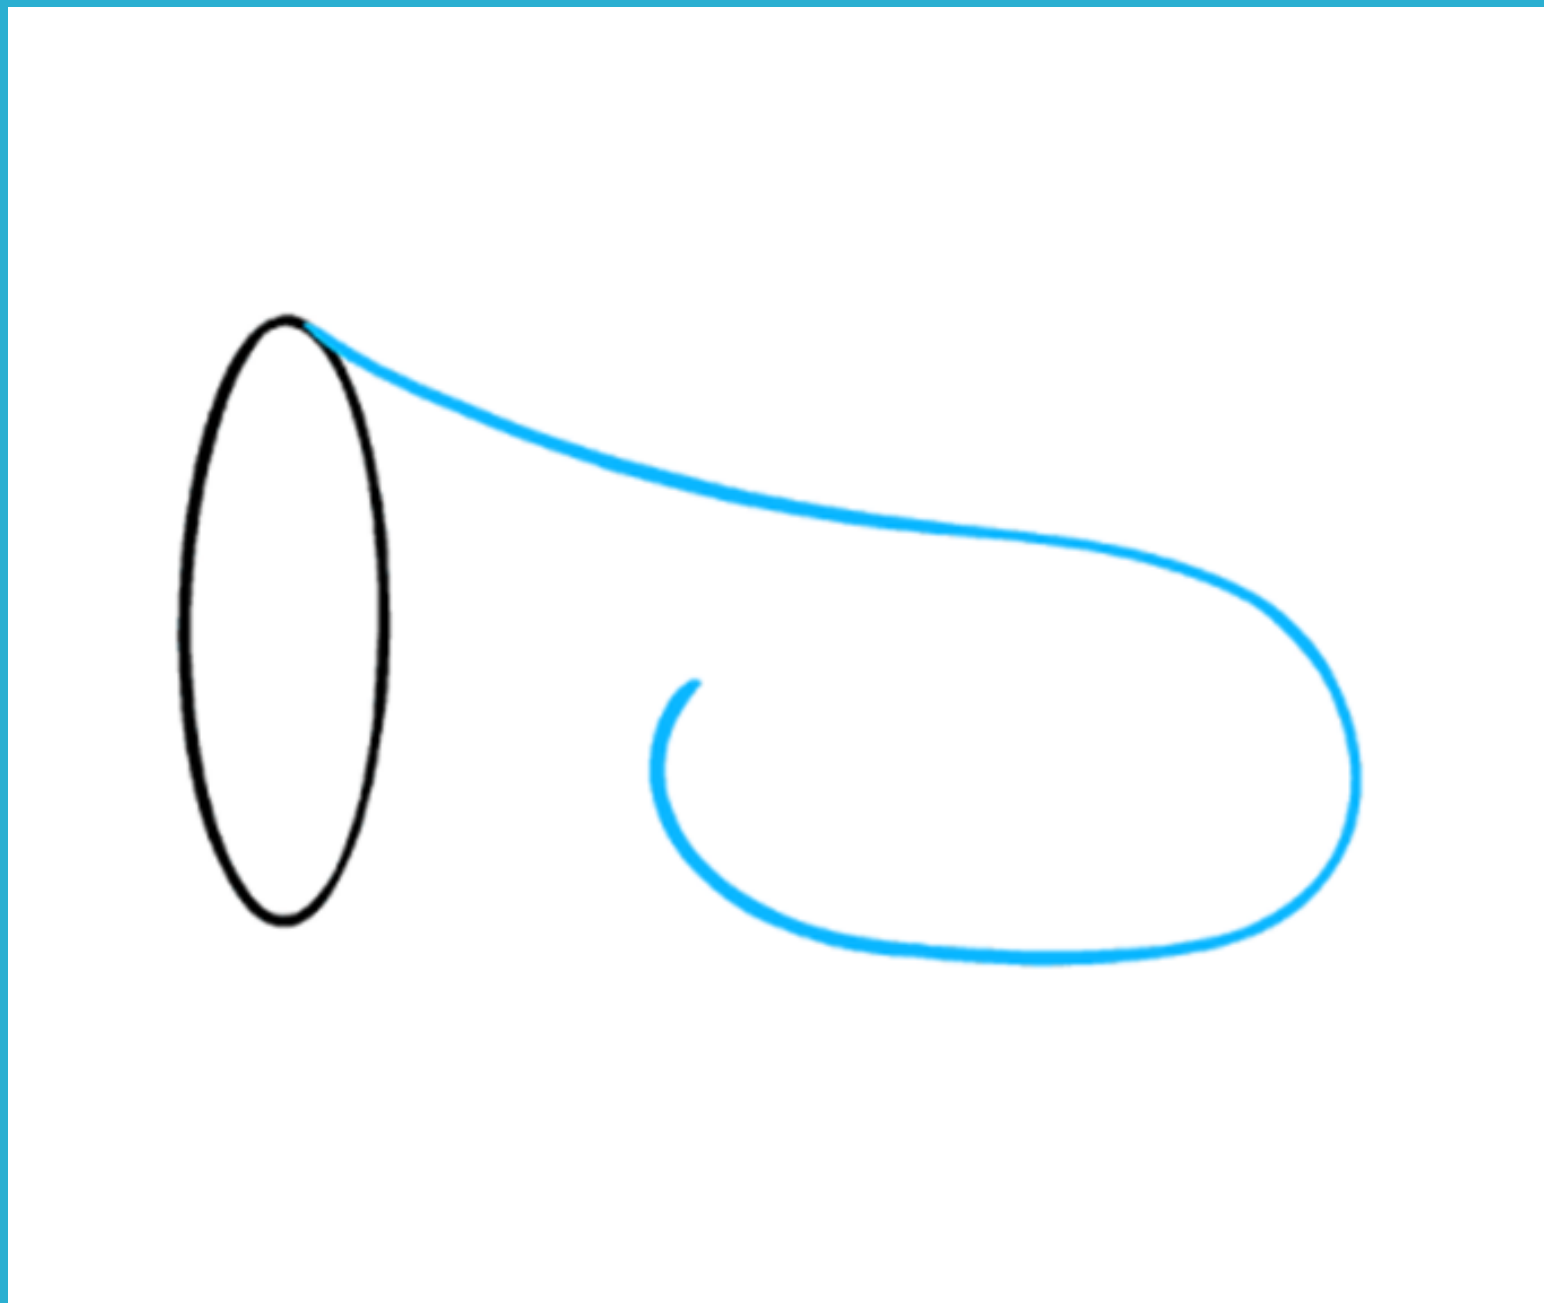

As students if they have heard or have they seen someone playing a drum. You may want to play some music where students can identify the sound of the drum.

1. Start by drawing a cylinder.

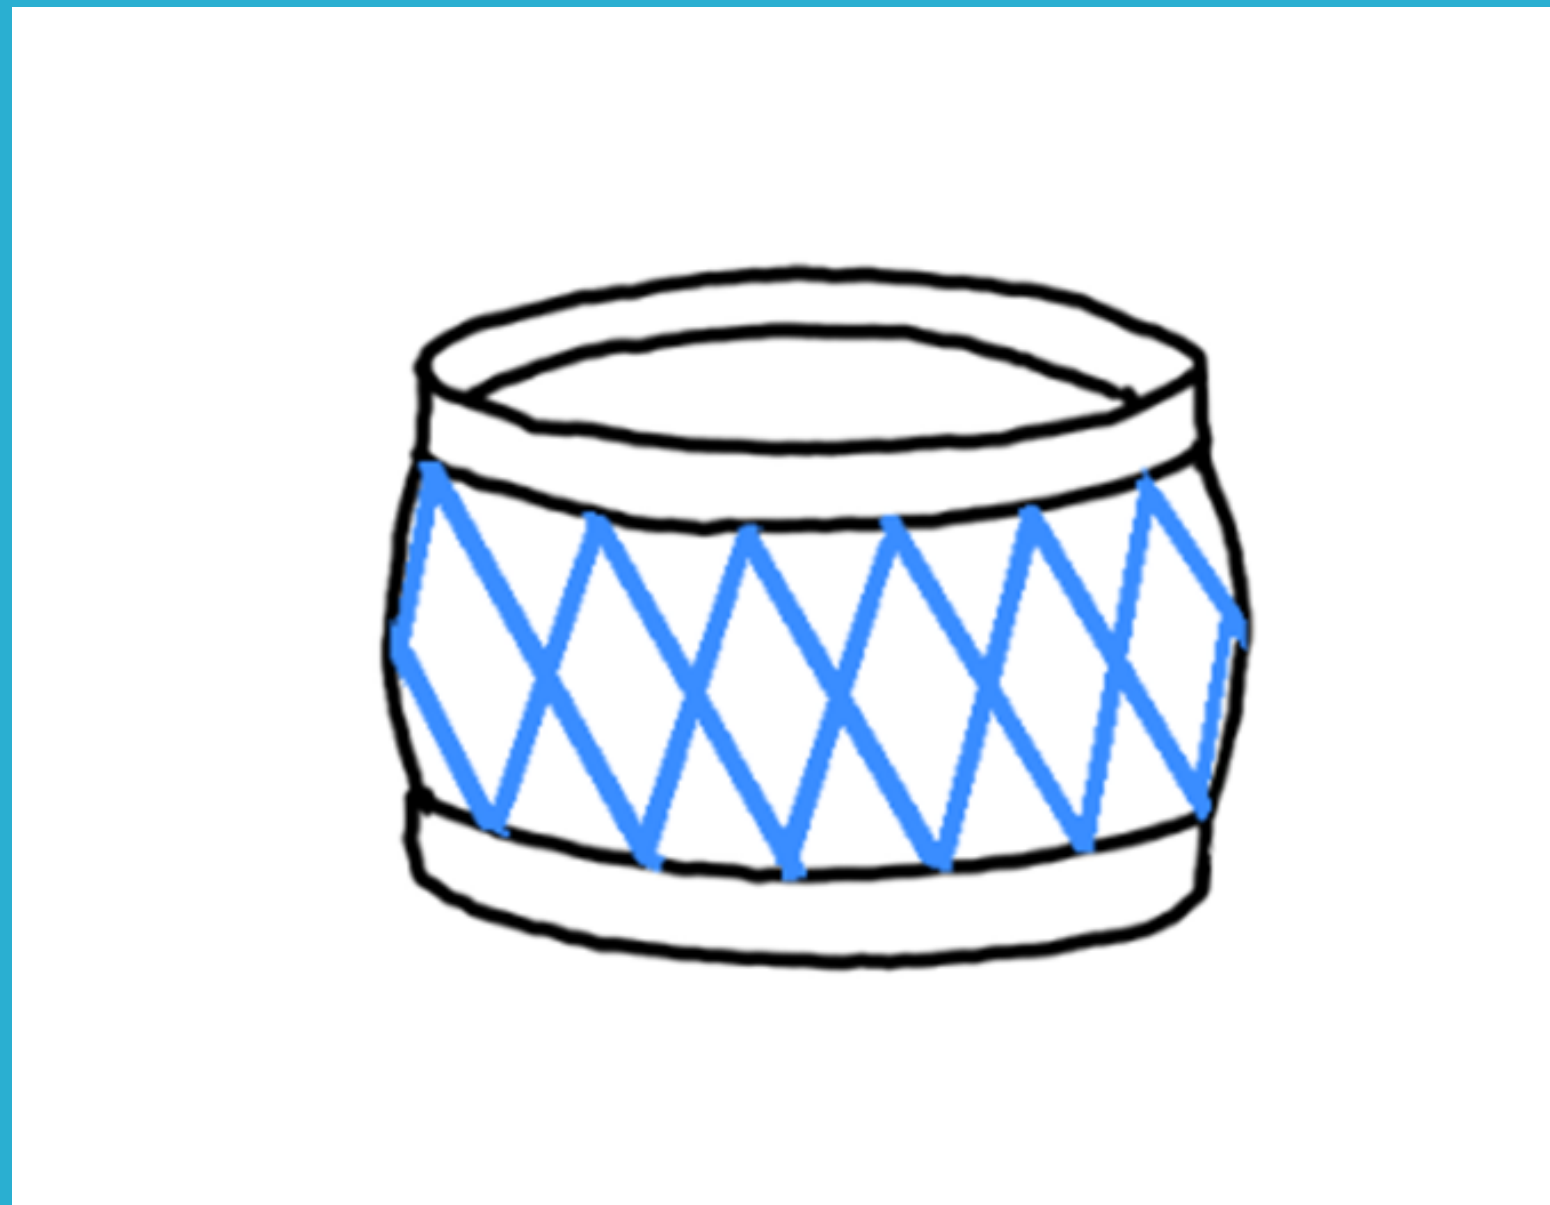

2. Draw the top surface for the cylinder.

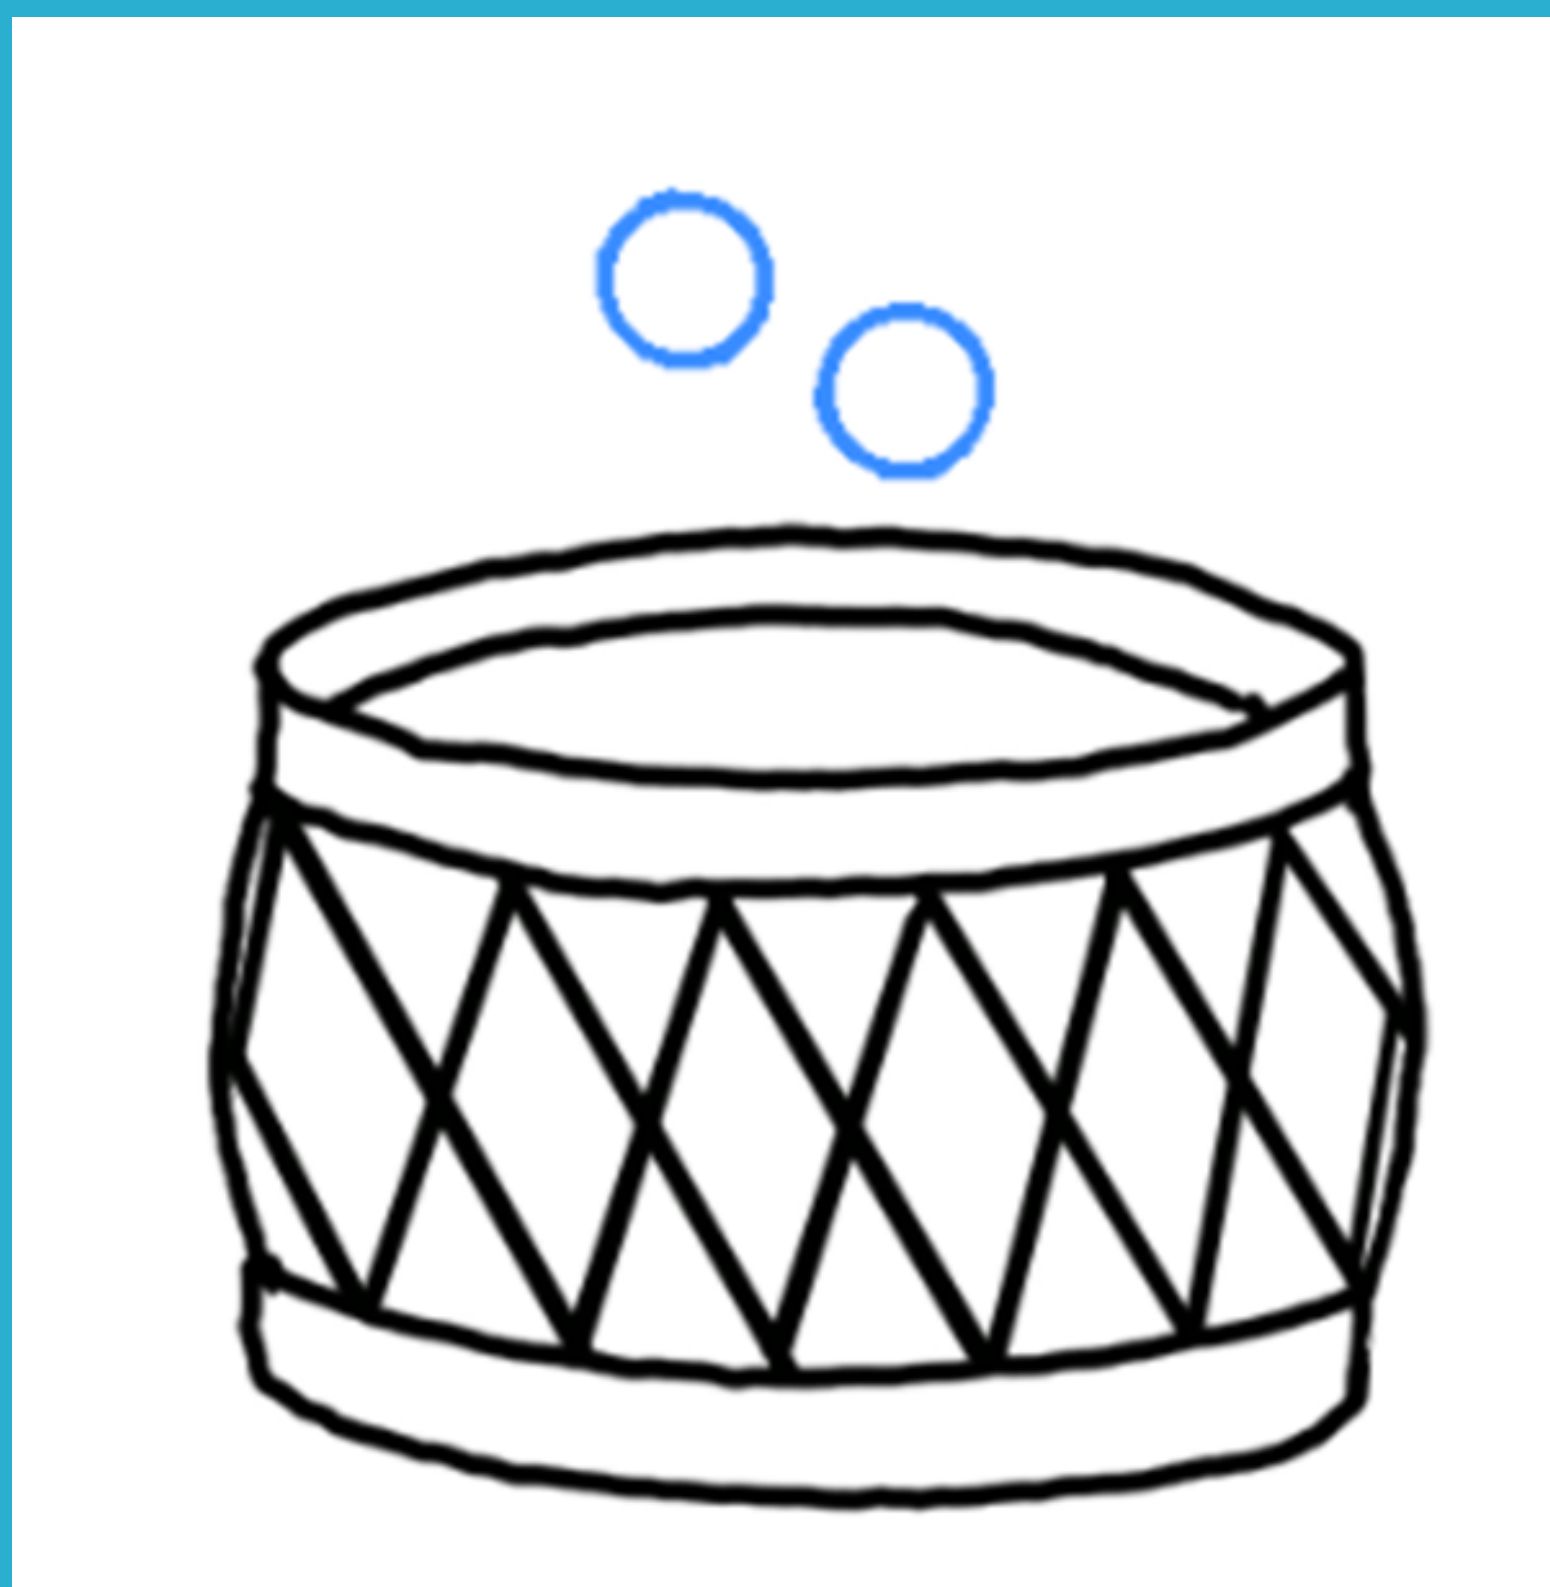

3. Add lining for the top, and sketch the bottom.

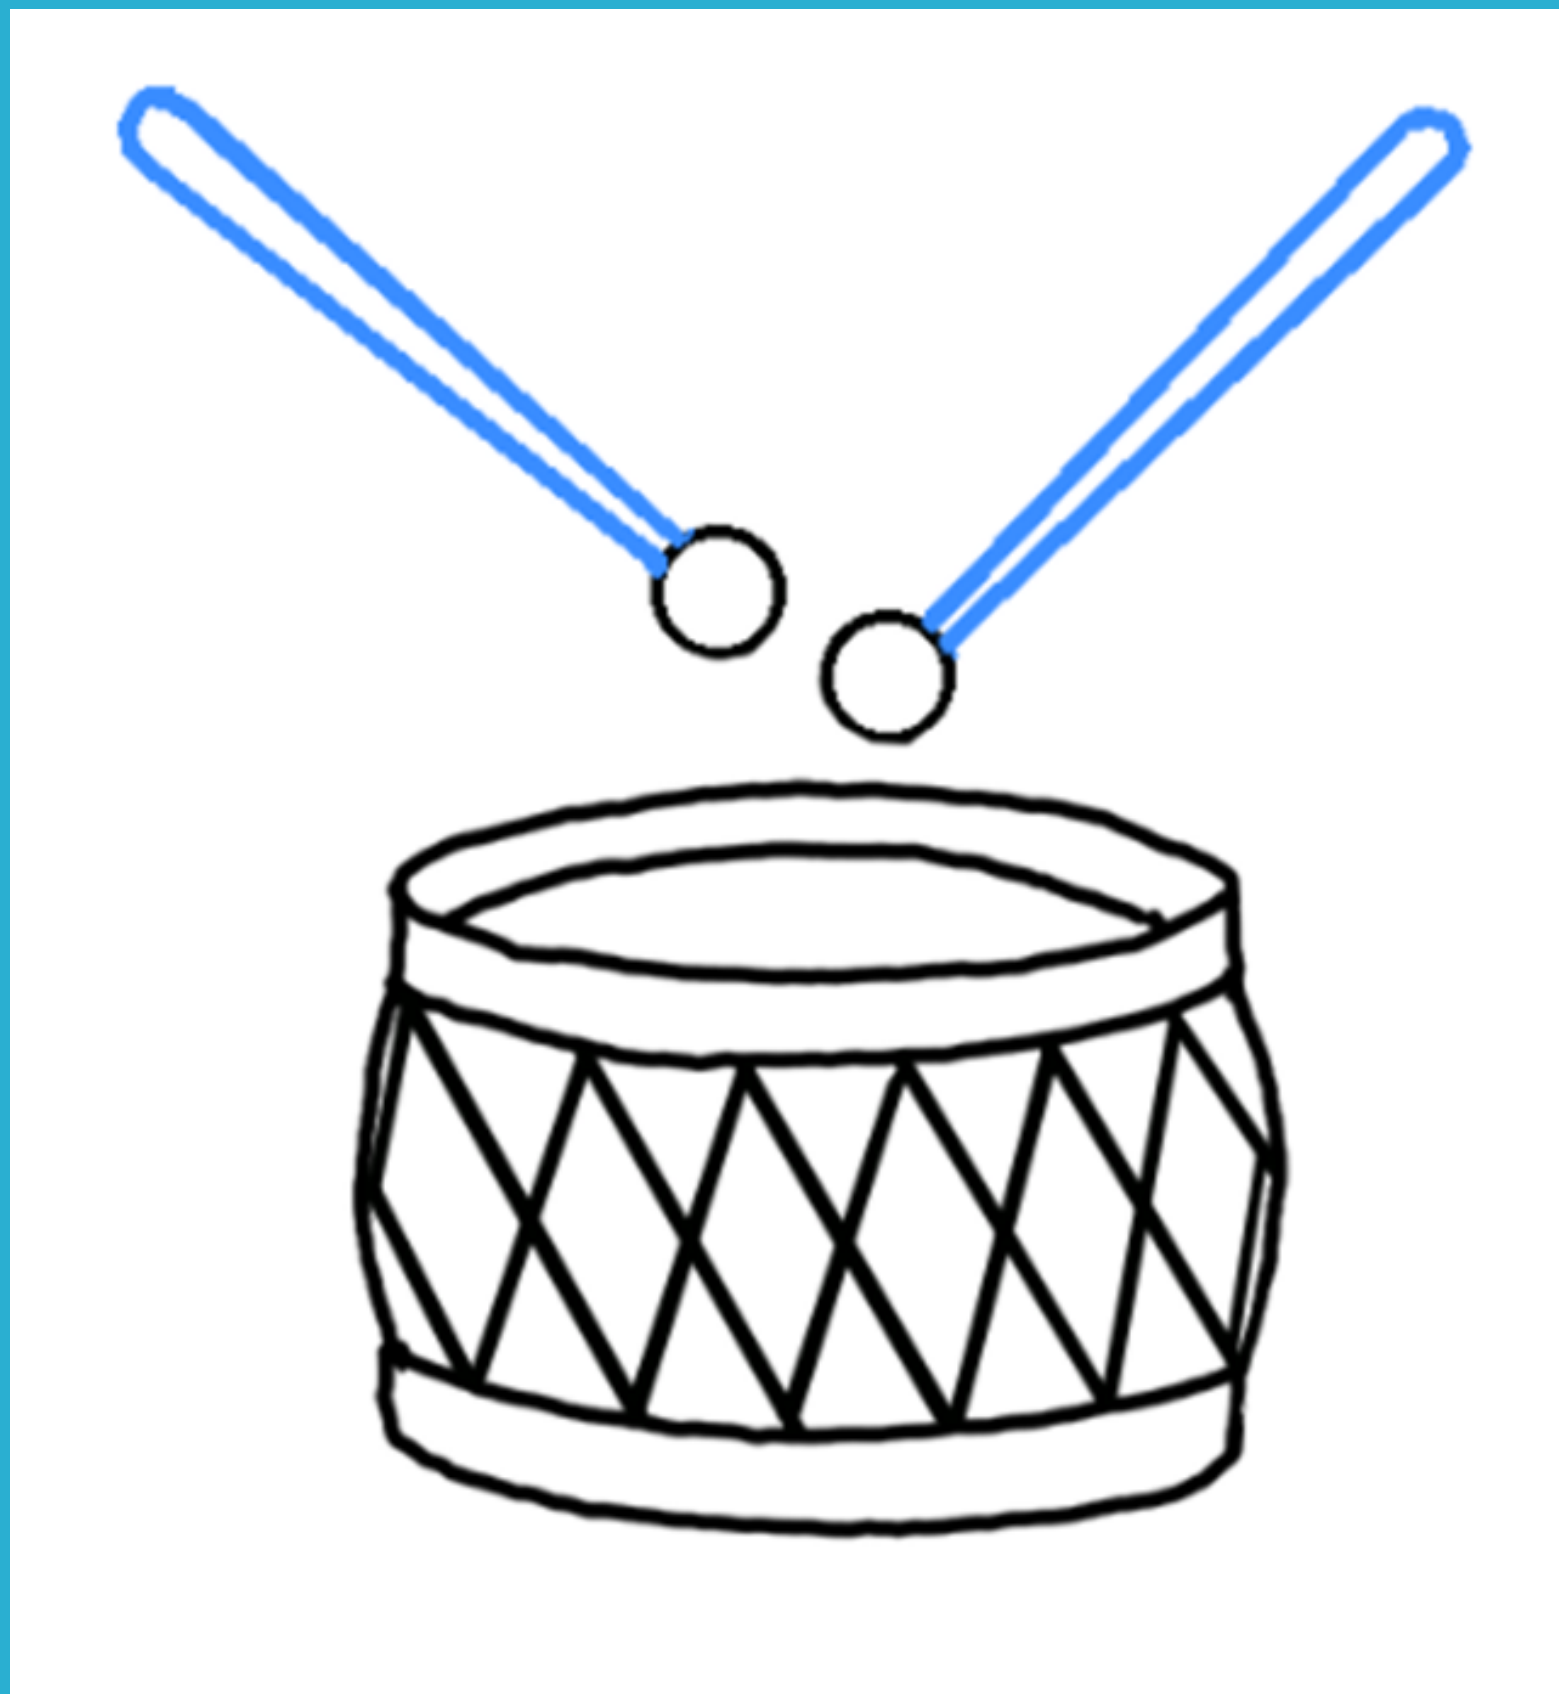

4. Make some diamond shapes on the cylindrical surface.

5. Start to draw the drumsticks by sketch two small rounded circles.

6. Complete the drumsticks.

Color the drum and the drumsticks in any way you want!
