

SUPPLIES NEEDED

1. You will need either colored pencils, markers, crayons, or just a pencil.
2. You will also need something to write on like construction paper or plain white paper.
3. Lastly, you will need your hands

INSTRUCTIONS

- First, you will take your right hand and place it on the piece of paper then using whatever writing utensil you chose, trace your hand.
- Next, we will use our 5 fingers to represent the 5 lines where notes go and we will use the 4 spaces of our fingers to represent the 4 spaces where notes go.
 - We will use our right hand to represent the Treble Clef
 - Next, you will fill in the lines for Treble Clef with E Thumb G pointer finger B middle finger D index finger F pinky finger. Along with the phrase "Every Green Bus Drives Fast" to help you remember the letters for each note.
- Next, you will fill in the spaces for Treble Clef with F the space between the thumb and the pointer finger A the space between the pointer and middle finger C the space between the middle finger and the index finger E the space between the index finger and the pinky finger. This is easy to remember because it spells the word FACE.
- Finish off the activity by decorating your hand any way you want!
