

HOW TO DRAW A HALLOWEEN GHOST - GRADES 5-12

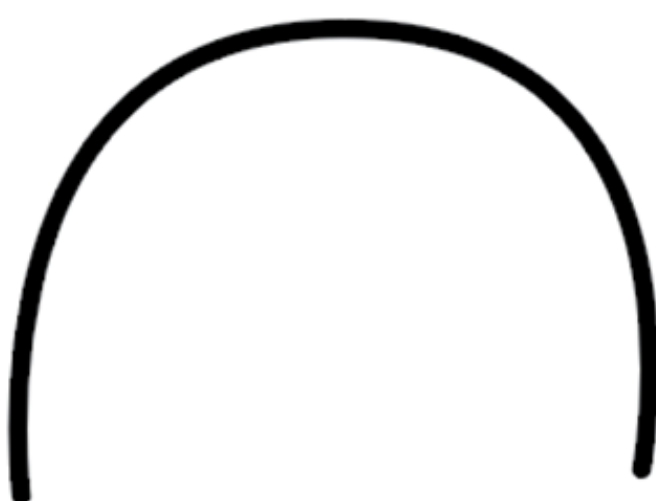

THIS DRAWING TEACHES STUDENTS HOW TO DRAW A HALLOWEEN
GHOST.

MATERIALS: MARKERS, PAPER, PENCILS, CRAYONS, WATERCOLOR,
PASTELS

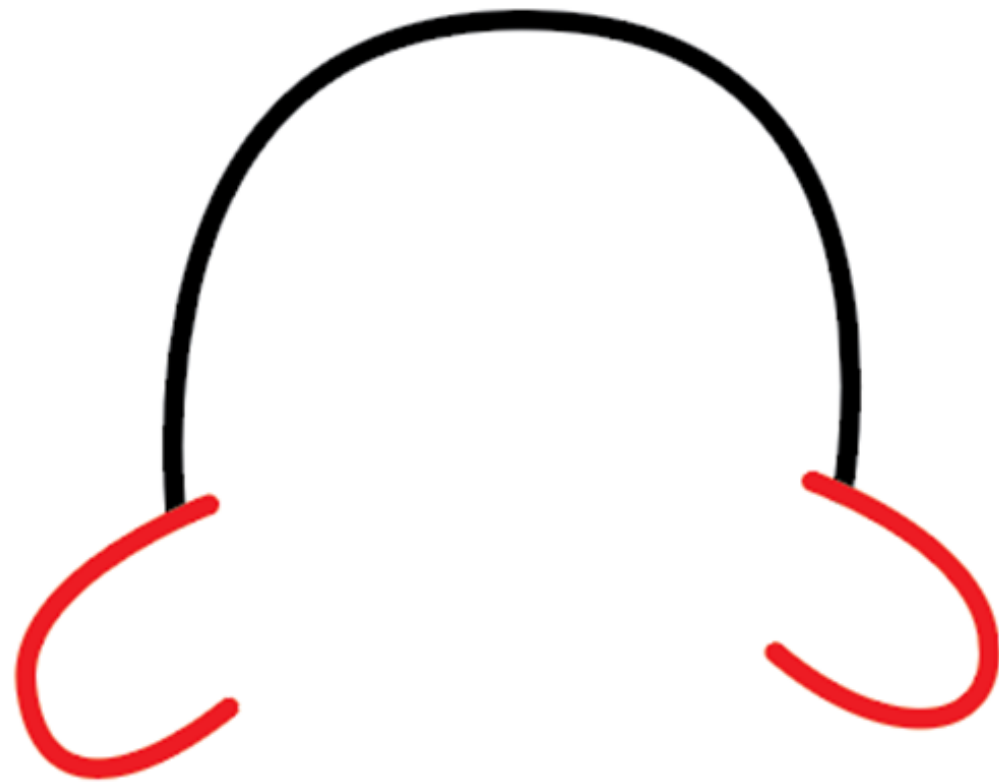

STEP 1.

START BY DRAWING A CURVED SHAPE (LIKE A UPSIDE DOWN LETTER U).
THIS WILL BE THE TOP PART OF THE GHOST'S HEAD.

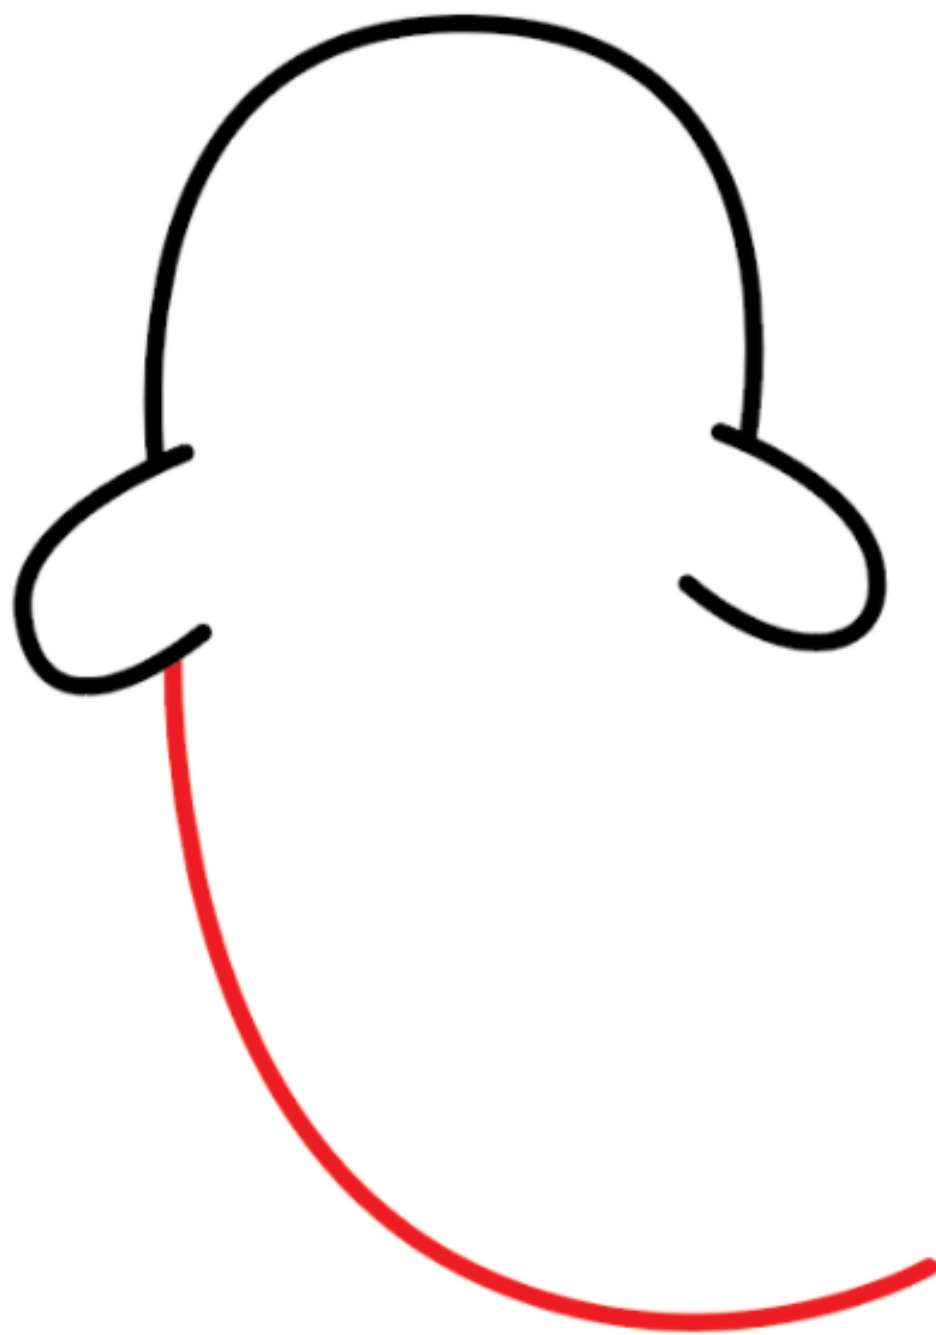

STEP 2.

DRAW HANDS – YOU CAN KEEP THEM SIMPLE, WITH DRAWING “U” SHAPES, OR MAKE THEM MORE DETAILED.

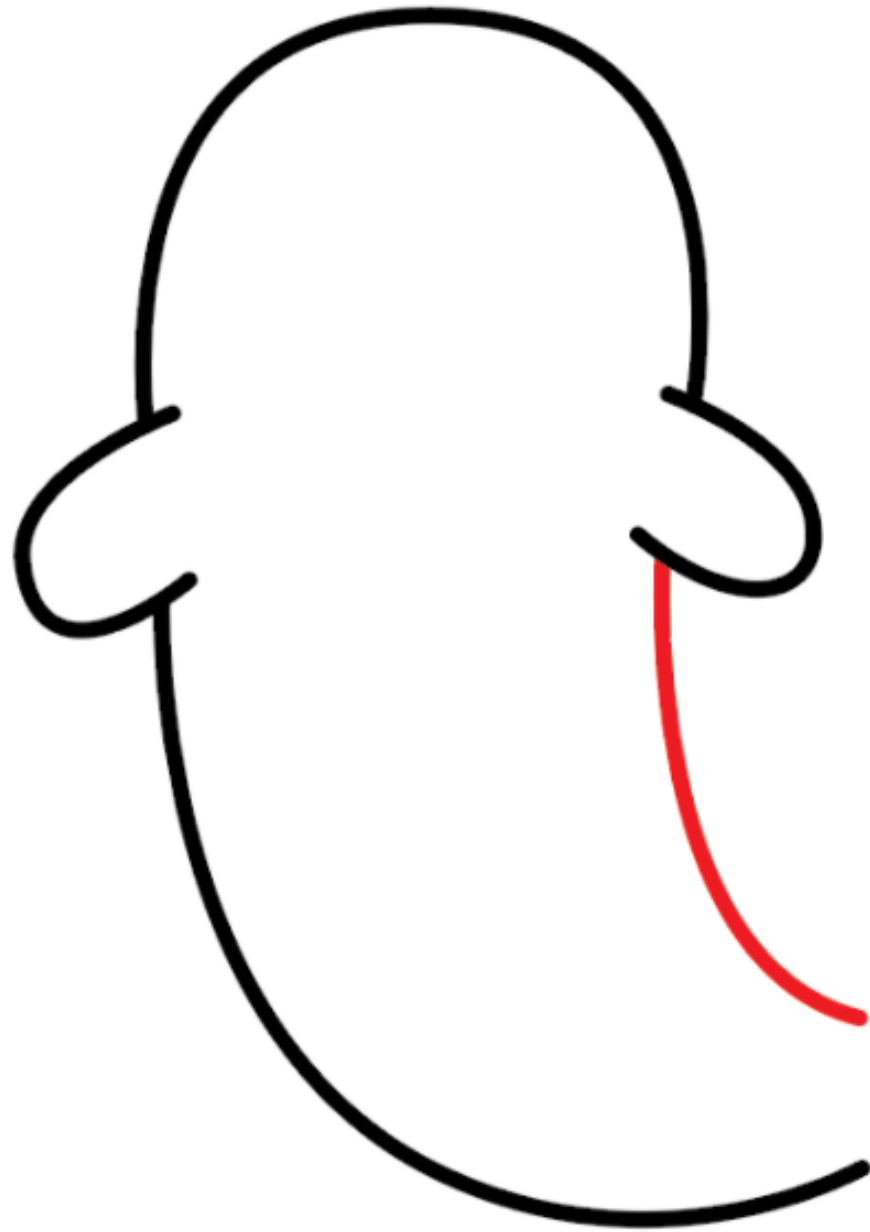

STEP 3.

LET'S START WORKING ON THE BODY. START ON THE LEFT SIDE, DRAWING A CURVED LINE FROM THE HAND DOWNWARDS.

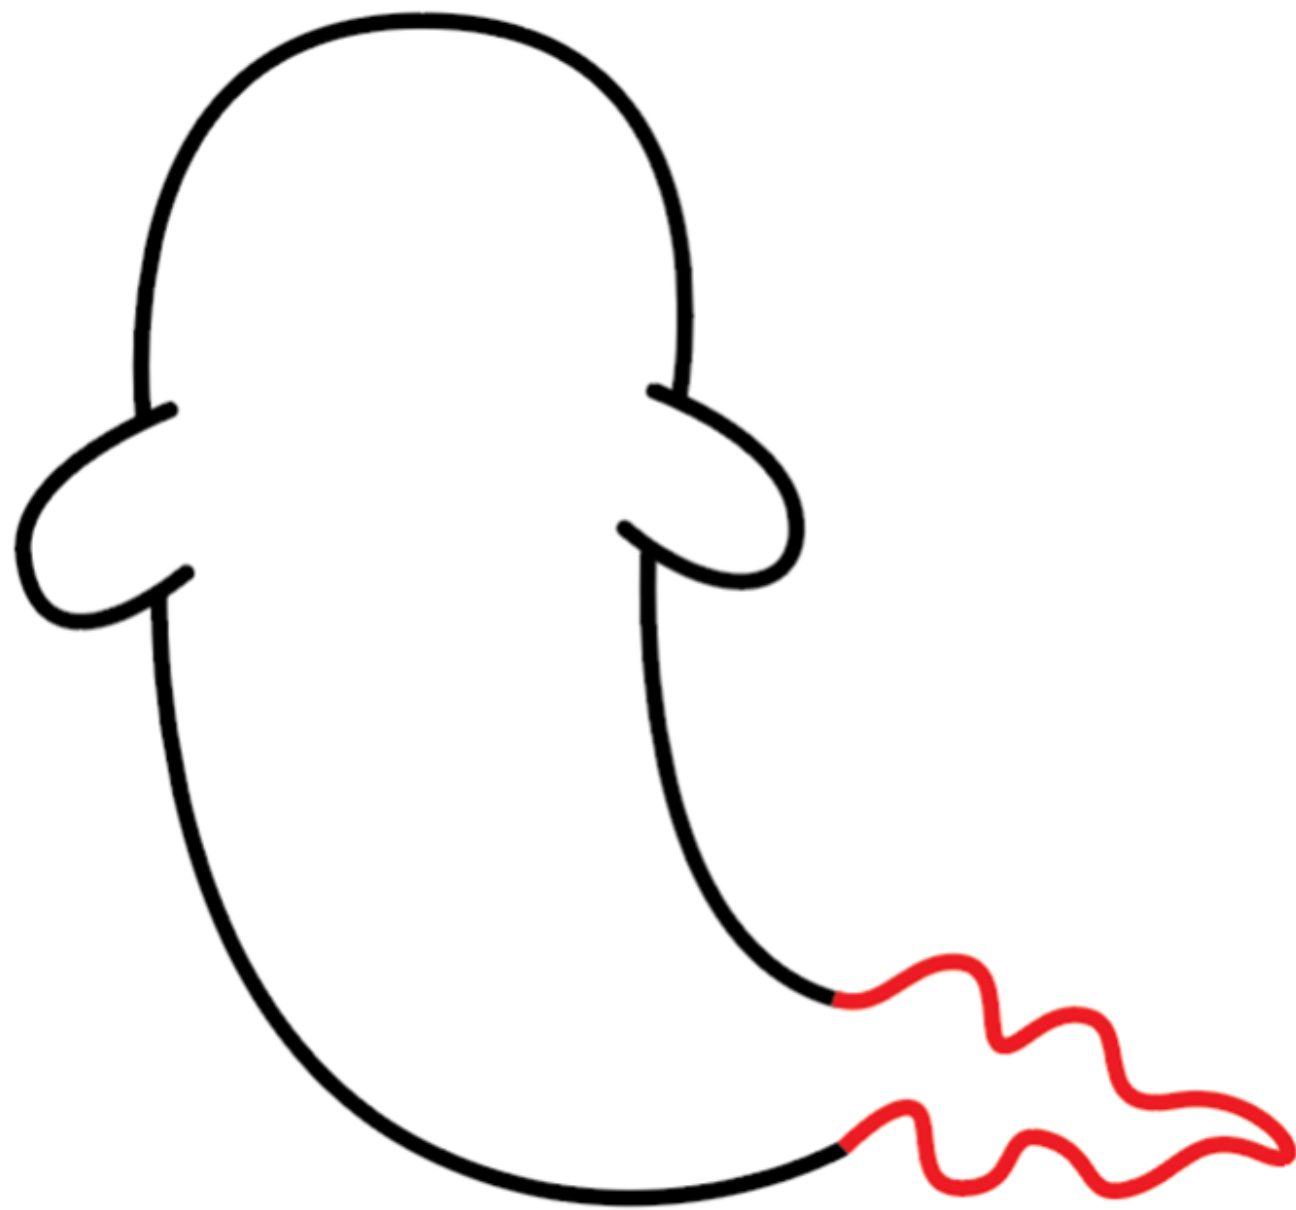

STEP 4.

NOW MOVE TO THE RIGHT SIDE AND DRAW ANOTHER CURVED LINE, ENDING IT ABOVE THE FIRST ONE.

STEP 5.

COMPLETE WITH THE WIGGLY "TAIL"

STEP 6.

NOW COMES THE FACE. IF YOU WANT YOUR GHOST TO LOOK HAPPY, DRAW "NORMAL" EYES, AND A "MOON" SHAPED MOUTH. THIS WAY YOUR GHOST WON'T LOOK SCARY AT ALL.

STEP 7.

FINISH AND COLOR.
