

HOW TO DRAW MOUNTAINS - GRADES K-12

MATERIALS NEEDED: MARKERS, PAPER, PENCILS,
CRAYONS, WATERCOLOR, PASTELS

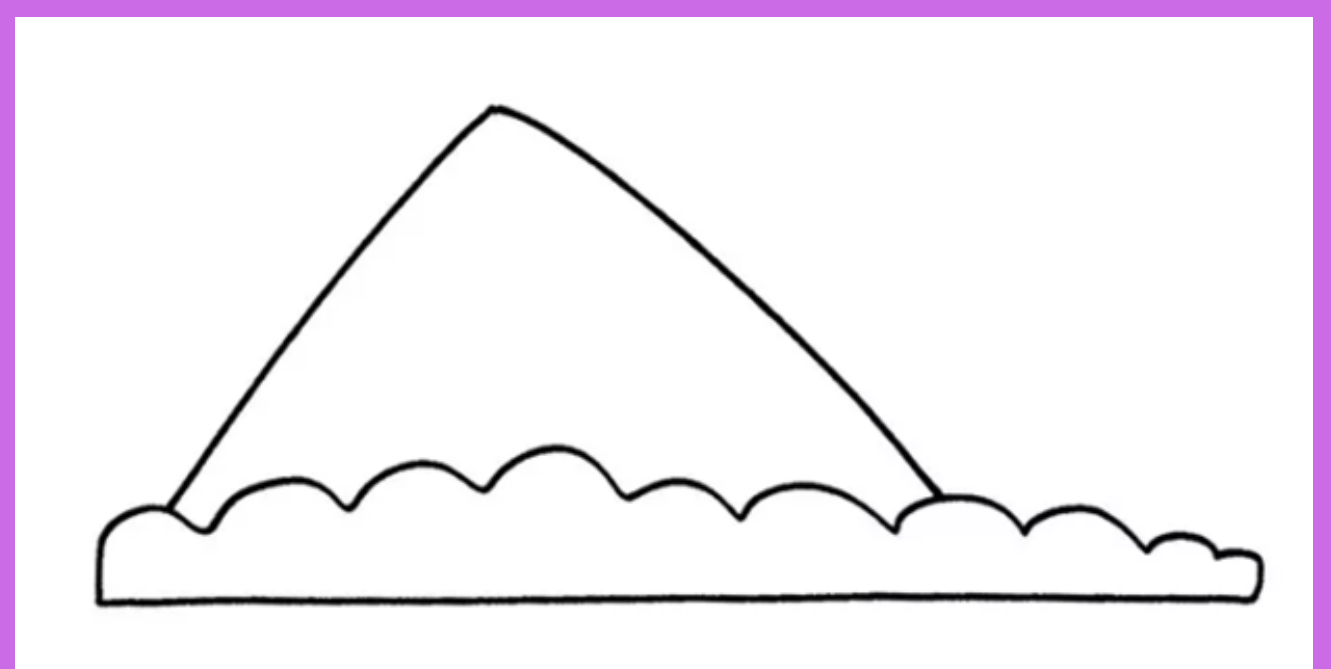

STEP 1.
DRAW THE GRASS.

FIRST, YOU NEED TO DRAW
THE GRASS AT THE BASE OF
THE MOUNTAINS. BELOW IS A
STRAIGHT LINE, AND ABOVE
THERE ARE SEMICIRCLES
THAT LOOK LIKE BUSHES OR
TREES.

STEP 2.
DRAW THE FIRST MOUNTAIN.

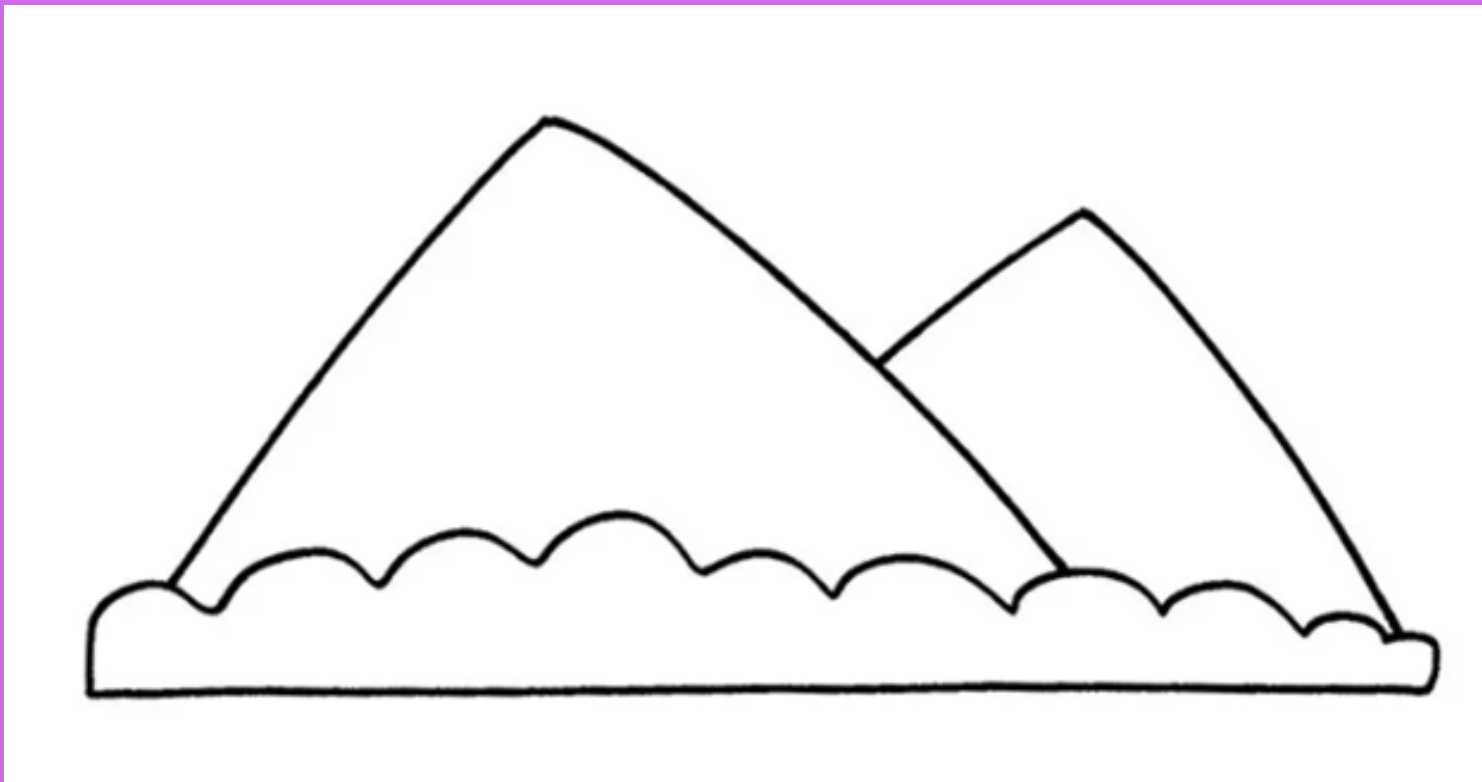

TO DO THIS, DRAW A TRIANGLE
ON THE LEFT SIDE OF THE
PICTURE.

STEP 3.

DRAW A SECOND MOUNTAIN.

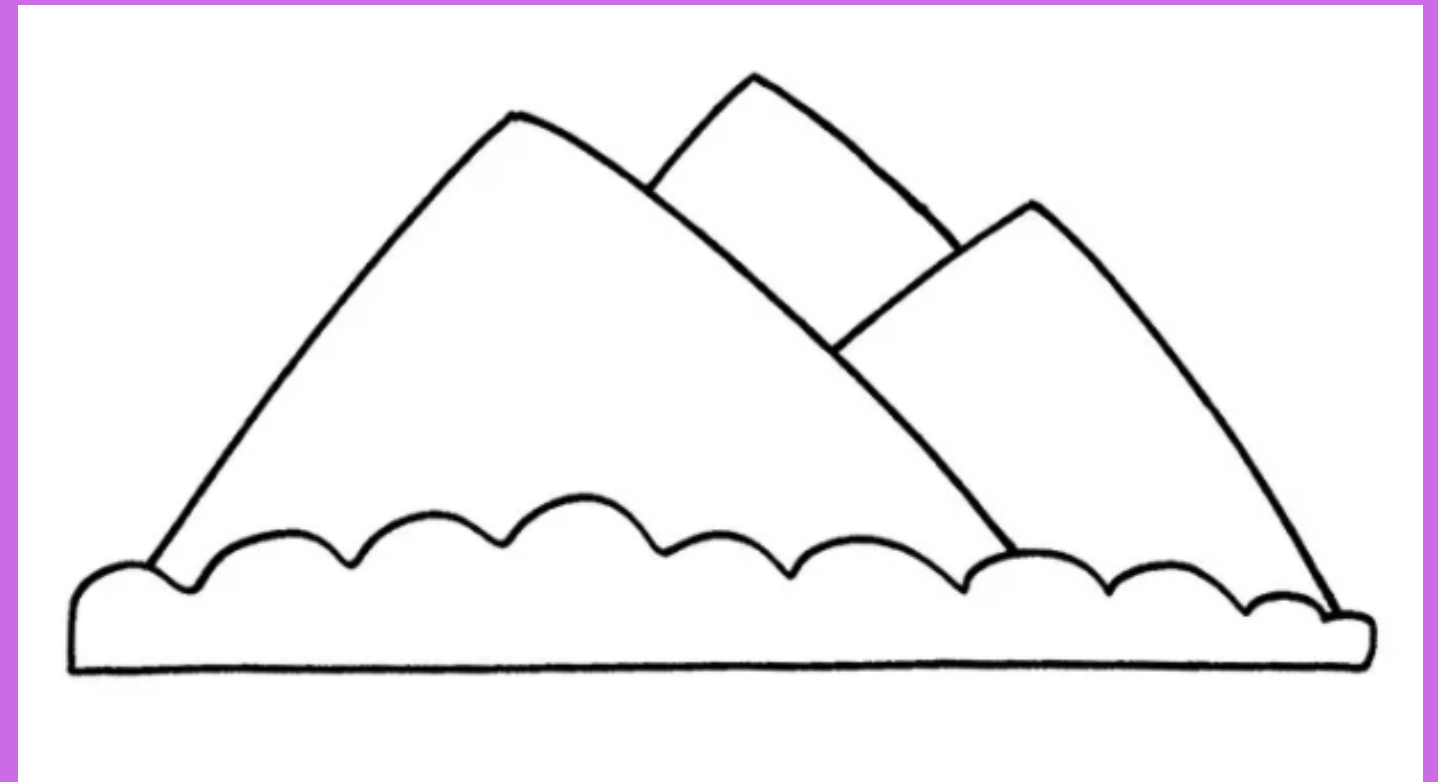

ON THE RIGHT SIDE, DRAW A SECOND, SLIGHTLY SMALLER MOUNTAIN. NOTE THAT PART OF THE SECOND MOUNTAIN IS LOCATED BEHIND THE FIRST.

STEP 4.

ADD A THIRD.

IN THE MIDDLE, IN THE BACKGROUND, DRAW THE THIRD MOUNTAIN IN THE SAME WAY.

STEP 5.

DRAW THE SNOWY TOPS.

THE TOP OF THE MOUNTAINS IS DRAWN IN A ZIGZAG PATTERN, AS IN THE EXAMPLE. ADDITIONALLY, SNOW CAN BE ADDED TO THE SLOPES.

STEP 6.

COLOR YOUR DRAWING.

THE GRASS CAN BE COLORED GREEN, THE MOUNTAINS BLUE, PINK AND PURPLE, AS WELL AS SNOW-WHITE. YOU CAN USE THESE SAME COLORS OR DREAM UP AND COME UP WITH YOUR OWN UNIQUE ONE.
