

Musical Hot Potato - Grades K-12

Supplies Needed

- You will need something to pass around in a circle like an egg shaker, a ball, or a small bean bag.
- You will also need a whiteboard and some markers

Instructions

·First, start by writing down 5 questions on the white board. These 5 questions should involve something that helps you and the students learn more about each other like “What is your favorite song?” or “Do you play an instrument?”.

·Next, you will put the students in a circle. You can also sit in the join the students in the circle and play if you would like.

·Once in the circle, you will start the music and start passing the item that you have chosen clockwise around the circle.

·When you pause on the music, the student holding the object must answer one of the questions on the whiteboard.
