

One Little Elephant – Grades K-5

For this activity, you will need to learn the song “One Little Elephant”.

LYRICS:

One little elephant balancing, step by step on a piece of string.

Thought it was such tremendous fun, that called for another elephant to come!

Two little elephants balancing, step by step on a piece of string. Thought it was such tremendous fun, that called for another elephant to come!

Three little elephants balancing, step by step on a piece of string. Thought it was such tremendous fun that called for another elephant to come!

SUPPLIES NEEDED:

You will a long string or tape to place in a straight line on the floor

INSTRUCTIONS:

Start by laying your string or tape on the ground. Start the game by being the first elephant to walk along the string, and use your arms to balance. Everyone will sing the song together and then pick a student to join you for the second verse.

Continue until all players are walking step-by-step on the string.

For the last verse, the string breaks and you all collapse on the floor. This game is a fun way to help the students learn your name and the other students' names.
