

How to Draw a Lion

Difficulty-Beginner (K-12)

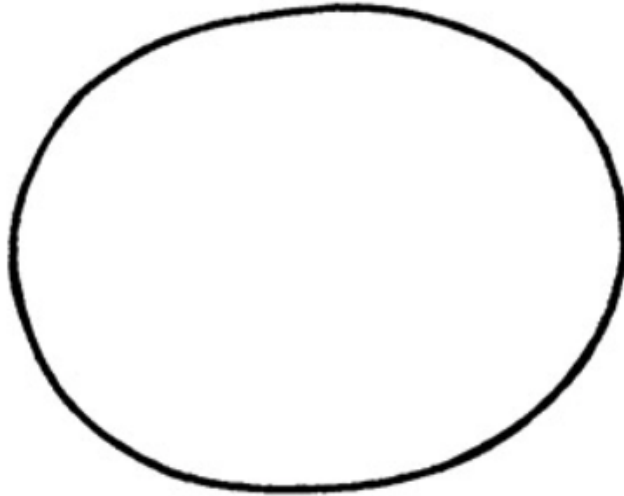

You will need:

- Paper
- Something to draw with (pencil, pen, marker, or whatever you'd like!)
- Colored pencils, crayons, or markers to color in your lion

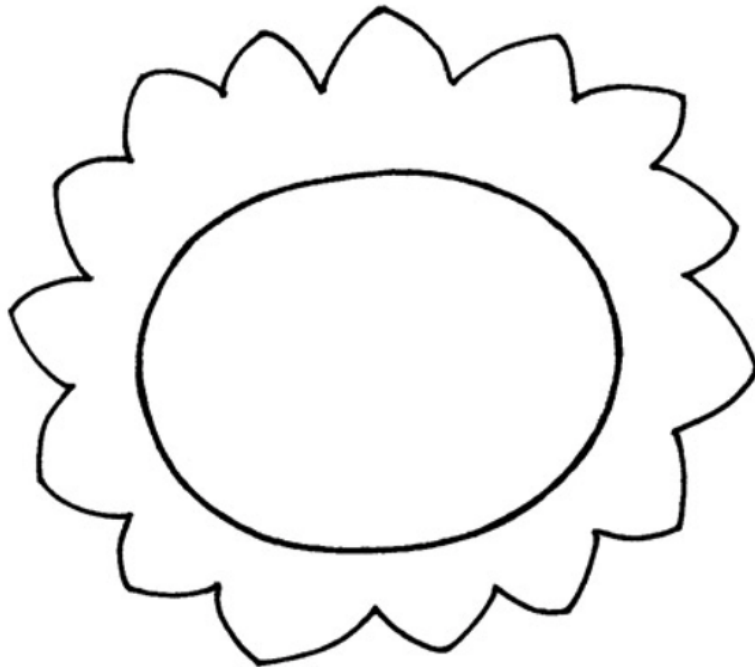

Step 1

Start by drawing the lion's head. Make it an oval like this.

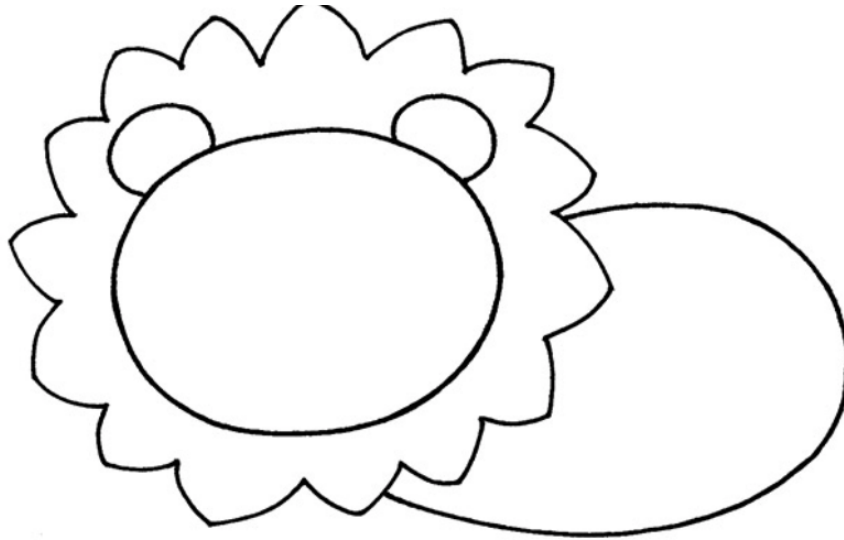

Step 2

Around the oval, draw the lion's mane using a zigzag line like this.

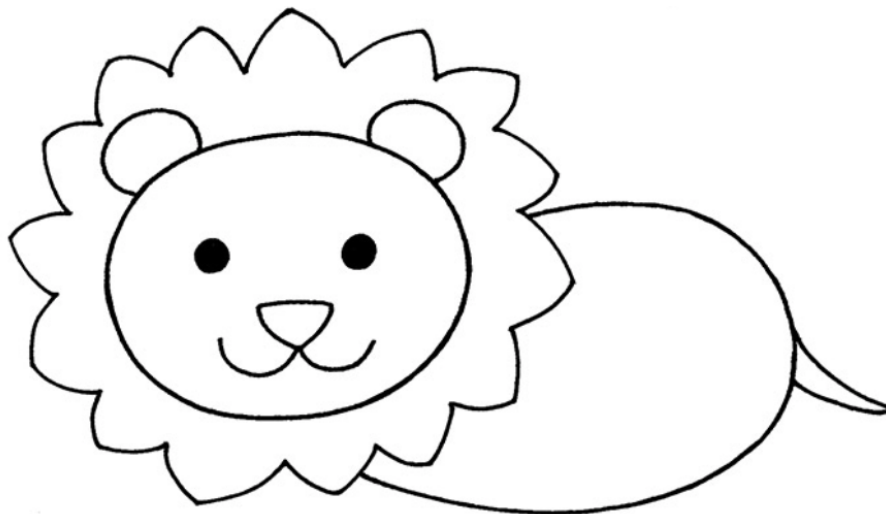

Step 3

On the right side of the lion's head, draw an oval for the body. For the ears, draw 2 small circles on top of the head like this.

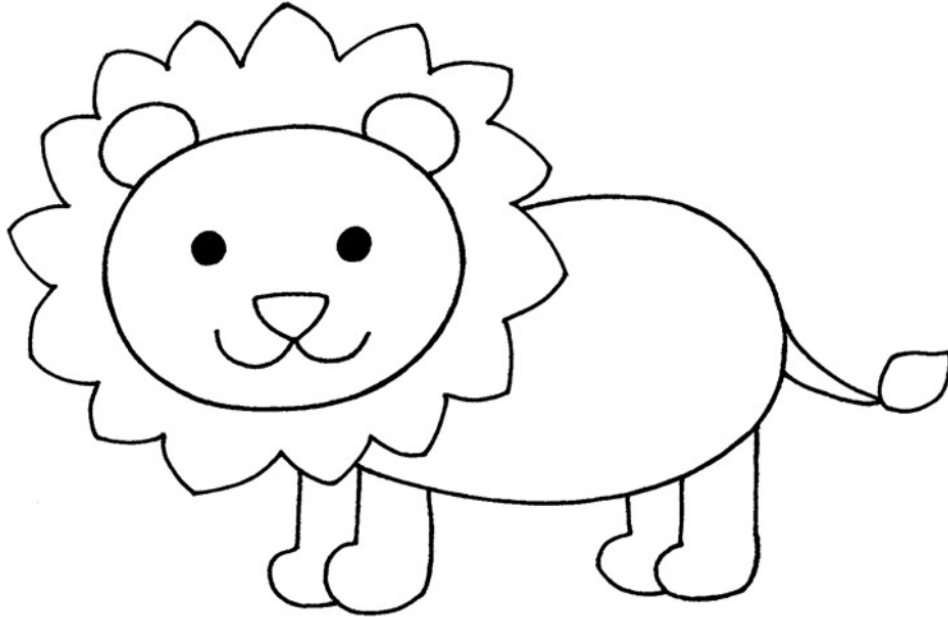

Step 4

Next, draw a long, curved triangle for the tail. For the eyes, draw 2 dots. Under the eyes, draw a triangle. Below the triangle, draw the letter "w" with the middle part connecting to the nose.

Step 5

Now draw the legs and paws of the lion like this. Make sure there are 4! At the end of the tail, draw a teardrop shape.

Step 6

Now let's add color! You can make it realistic and use yellow and orange, or get creative and use whatever colors you like!
