

Dancing Switch

Things You'll Need:

Music with a variety of genres & space

Instructions: This dancing game adds life to the party, simply because it explores different genres of dance and music! Create a playlist using different types of songs - once they start playing, you can call out different dancing styles (such as disco, salsa, hip hop, slow waltz, etc.) just use your imagination!

The students will switch their dancing styles with every name you call out.
